## Career Objective

Creative web developer with a strong background in Sales, Graphic Design, and Management. Committed to delivering visually stunning and user friendly websites by leveraging my expertise in coding and design principles.

## Professional Experience

### Push Button Vending

May 2018 to November 2022

### Office Manager

Assist Clients, Employees, and Owners with Day-to-Day

- Responsible for creating leads, schedules, training, interviewing, inventory, and light accounting
- Reduced redundancies and doubled profit consistently after 90 days.

### Virginia College

February 2017 – December 2018

### Admissions Representative

Assist potential students throughout the college admissions process while cultivating leads

- Responsible for meeting and exceeding a variety of complex performance metrics
- Responsible for all interactions with students from the initial request for information to the provisional enrollment period and beyond

### Full Creative

May 2015 – February 201

### Remote Account Manager

Assist clients in an account management role via a remote desktop from home.

- Responsible for meeting and exceeding call standards, ethics, and requirements
- Responsible for all interactions with clients of answering service

### Suddenlink Business

February 2013 – April 2015

### Commercial Account Manager

Maintain current relationships and grow business opportunities through cold calling/prospecting leads

- Sold maximum commission modifier first month on floor and consistently met quota
- Created quote generators, trained on new products/services, and Refer-a-business
